Electrical assembly on luxury yacht

Venue
Kusch Yacht, Wewelsfleth

Project period
10/2012 – 07/2015

The electrical department took over the complete electrical equipment for the 100.8 m luxury yacht „I Dynasty“ on behalf of Littau GmbH. The order included the complete delivery and assembly of the cable tray net as well as of the bulkhead and deck openings. Furthermore the delivery, installation and connection of the complete cable system was part of the order. To that end various tasks of the planning of the lighting were taken over.
